Crista and Bob,

Sorry for the late report that Crista asked for last Friday. It took some time in collecting and compiling data. Let me know of any questions.

Good Morning Min! I hope that you had a great weekend.

Hey, I have a meeting with Crista coming up; were you able to the COVID information for Ron on Friday morning alright? I'm curious about the numbers; could you please send me a copy as well?

Thanks,

Good morning,

I'm working on some talking points for Ron as he has a couple of council briefings later today about the CAO's proposed 3% reduction. I wanted to include all the efforts we have provided Mayor, CAO and Council on the COVID funds and related transfers. Can you provide me with the following info.

Re: COVID Funds

Funds created specifically for COVID-19 with their name and fund number
Current balance
Transfers that were made into these funds from the original source and the loans that occurred from PW and LADBS.

I don't need too much detail just want to be able to give Ron the major highlights. I also need this info by mid morning. Thanks.
